EVENTS HELD DURING THE SEASON

Cronulla Swim Club conducts events on Friday evenings commencing at 6.30pm. Each night is classified as either a Point Score, Championship or Sprint Night.

Parents are required to assist with the running of events. A roster will be organized for the season.

No experience is necessary and full training will be provided.

POINT SCORE NIGHTS

Graded scratch races are conducted in 5 events each night:

1. Freestyle (25,50,100m) Swimmers may only swim one distance.
2. Breaststroke (25,50,100m) Swimmers may only swim one distance.
3. Backstroke (25,50,100m) Swimmers may only swim one distance.
4. Butterfly (25,50,100m) Swimmers may only swim one distance.

Entries for Swim Club should be submitted online through the anotherpb.com website (www.anotherpb.com) by no later than 5pm on the Club night. Late entries will only then be accepted and allocated in vacant lanes. Please assist by ensuring entries are entered online.

If a point score event is cancelled it will not be rescheduled.

When events are called, swimmers must report immediately to the Marshalling Area. Failure to report on time may lead to disqualification from the event.

Heats will be seeded based on previous Personal Best times at Swim Club.

POINT SCORE NIGHTS

Events in Freestyle, Formstroke and Medleys are conducted over three distances. When reaching certain times, swimmers must advance to the next distance. If after the first swim of the season in an event, a swimmer elects to swim a shorter distance in that event, only 1 point will be recorded for that event. The only exception to this is the progression from 50m to 100m Butterfly which is optional.

Cut off times are listed below.

	BACKSTROKE/BUTTERFLY	Under 30 secs

COMPETITION DRESS REGULATIONS- UNIFORMS

Cronulla Swim Club's dress guidelines are for all of our competition swimmers that represent the Club at local, metropolitan, state and national levels. These guidelines have been brought into place to promote, support and unify the Club and its members.

The **Club's official shirt** should be worn to and from the meet and at the pool. The Club's shirt shall always be worn during medal and award presentations. A towel should not be worn to presentations.

When representing Cronulla Swim Club in a race at any swim meet, the Club Competition Caps are to be worn during warm up and for all races. If available, Cronulla Swim Club swimmers should also be worn during warm up at competitions. Wearing the Cronulla Swim Club cap and swimmers at meets, promotes club spirit and a sense of belonging. It is also easier for the coach to observe swimmers during warm up.

Uniform is available through the Club at competitive prices. Please contact [Gary White](#) for all your uniform requirements.

POINT SCORING SYSTEM

1 POINT

More than 2 seconds slower than best time, Time Trial (as in first swim), Fail to Finish or Disqualification.

2 POINTS

More than 1 and up to 2 seconds slower than best time.

3 POINTS

Up to 1 second slower than best time.

4 POINTS

Equal to best time. First swim in higher grade.

5 POINTS

Best time to 1 second faster than best time.

6 POINTS

More than 1 and up to 2 seconds faster than best time.

7 POINTS

More than 2 seconds faster than best time.

NOTE

1. Should a swimmer receive 1 point for three consecutive swims in the same stroke and distance, including the first swim if applicable, an adjustment will be made to their previous best time for that stroke and distance. The Recorder will make the adjustment by averaging the times for those three swims. The new adjusted time will then be taken into account when seeding occurs and calculating points.
2. Remember that only 1 point will be scored when a swimmer competes in a shorter distance than their designated distance (with the exception of 50m Butterfly). Once advancing to a higher distance that is now considered the swimmers new distance.
3. 1 point will be awarded for the first swim in a longer distance if a swimmer has not yet received the cut off time.
